Consequently it is approved according to our release procedure for BMW Longlife engine oils (7th edition, February 2016) for the usage in BMW engines operating in compliance with our operating fluids manual.

This confirmation is valid for two years beginning with the date of this letter (provided that the reference formulation is still approved) and can be extended no more than two times for a maximum of two years in each case. Prolongations have to be requested within BFAS (BMW Fluid Approval System), the extension date can be taken from BFAS, reference EOA-RBL-2017-00617.

Engine oils produced using the code or brand names mentioned in this letter of confirmation have to comply with the tested oil sample in every respect.
