

DEXRON®-VI

Form I
DEXRON-VI

ASSIGNMENT OF SUBLICENSE IDENTIFICATION (REBRANDERS)

Kuwait Petroleum Research & Technology BV
P.O. Box 545, 3190 AL Hoogvliet
Rotterdam
The Netherlands
(Name and Address of Licensee)

Date: 20061114

Attn: **Dr. Henk W. Hovius**

(O) +31 181 285 222
FAX +31 181 26 34 94

Sublicense Number Assigned: J-60314

This will acknowledge receipt of the signed Sublicense Agreement (Form H), dated **20061030** and the appropriate administration fee licensing the use of the mark DEXRON®-VI. Sublicense Identification Number **J-60314** is hereby assigned to **Kuwait Petroleum Research & Technology BV** to be used by it in connection with the qualified automatic transmission fluid identified as Sublicense Number **J-60303** which will be supplied to licensee by **Afton Chemical Corporation**. The containers marketed by the rebrander bearing the mark DEXRON®-VI and Identification Number **J-60314** shall contain only the identical fluid marketed by **Afton Chemical Corporation** under the mark DEXRON®-VI and Identification Number **J-60303**.

Very truly yours,

Afton Chemical Corporation
