### **Q8 MAHLER HA Approval Trial at "Flörsheim - Wicker"**

Dear Mr. Hensen

This is to confirm that the lubricant Q8 MAHLER HA 40 has successfully finished the final inspection of the oil release tests at the German Landfill site "Flörsheim-Wicker".

Therefore this product will be included to our lubricant selections according the Technical Instructions 1000 - 0125 and 1000 - 1105, concerning Jenbacher Engines Serie 1, 2 and 3 in Landfill Gas and Biogas Application, at the next update.

Best regards

  
i.A. Chvatal Susanne
